Log in with your CBE username and password. You must log in if you wish for resources to be sent to you; otherwise the name we receive on the email is “WEBSERVER” and we would be unable to send you your requests. We encourage all staff to use e-Library as a quick and effective way to search for and request items from the RLC.

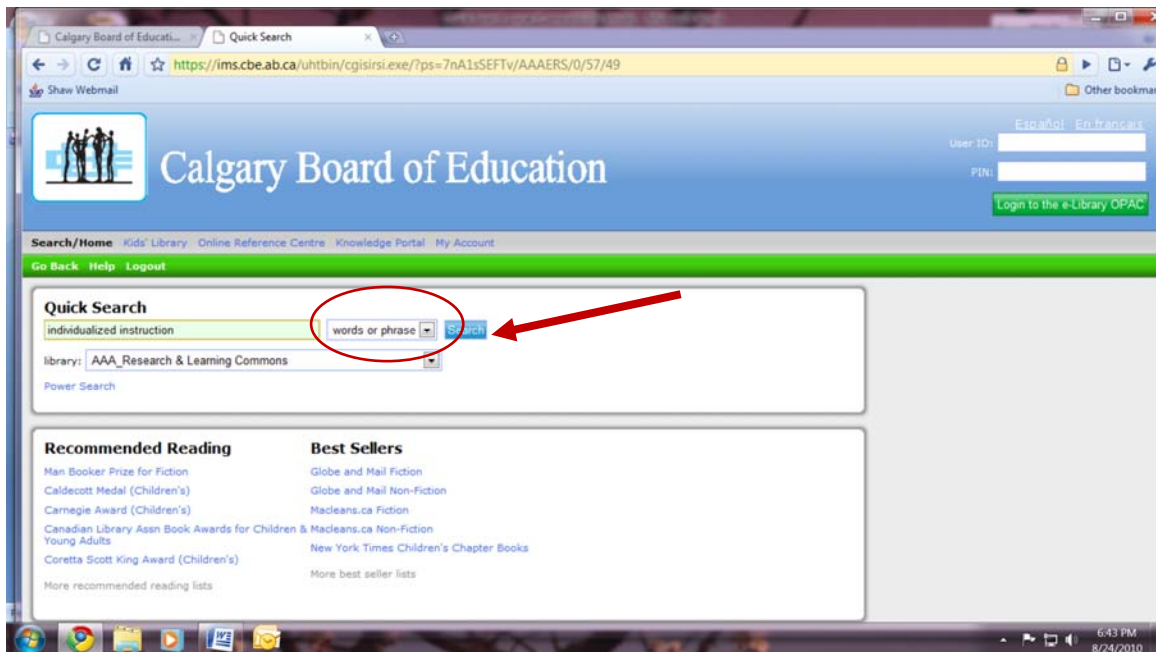

When you log in to e-Library with your CBE username and password, it automatically places you at your school (HERE).

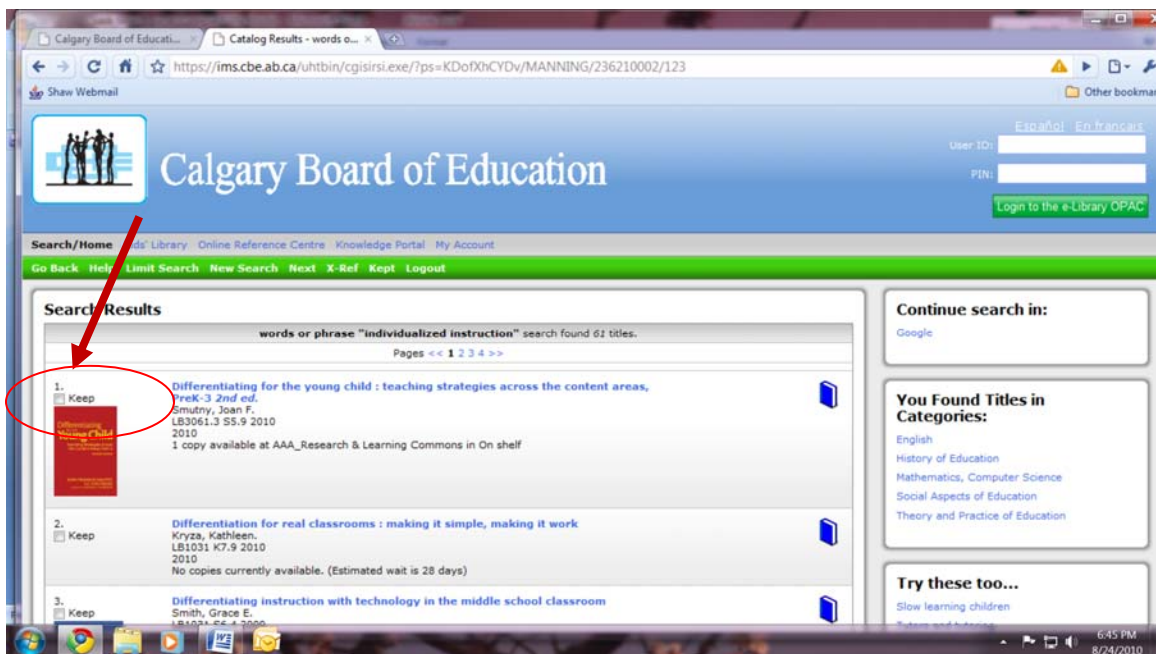

The HERE for non-school based staff is the RLC.

To search the holdings of the Research & Learning Commons you should change the library to AAA_Research & Learning Commons.

Type in your search words or phrase (keyword). Searches can also be done by title, author, or series by using the drop down menu to reset your search terms.

Click on the "Keep" button to choose your resource.
